

ASSORTMENTS

For those wishing but a few of a kind, we recommend our select assortments. Each assortment is composed of carefully selected plants in each price group and often include kinds we do not have in sufficient quantity to list.

In the first four assortments listed below, the same number of plants of each kind is included. The other five assortments will vary in numbers of each kind owing to the purpose of the assortment and stock limitations.

Assortments as well as plants ordered by name will be labeled with plant names free, upon request only.

MINIATURE—Tiny all cactus or cactus and succulents mixed for 1% in. pots. Our selection. \$4.50 per 100.

SUNSET—All cactus, all succulents or mixed as requested for 2-2½ in. pots at \$7.50 per 100.

GOLDEN WEST—Larger plants of the Sunset group for 2½-3½ in. pots at \$10.00 per 100.

LITTLE IEWEL—These are the slow growing choice cactus of our own price group "B" for 2-21/2 in. pots at \$10.00 per

ROYAL—Larger or choicer plants for 2½-3½ in. pots. Please say whether large size or choicer kinds are preferred. \$15.00 per 100.

SUPER—Larger or choicer plants for 3-4 in. pots. Please say whether large plants or smaller choice items for fanciers are desired \$25.00 per 100.

SUPER DUPER-Still larger or better plants as preferred. \$35.00 per 100.

GATES DISH GARDEN ASSORTMENT-Carefully selected cactus and succulents in varying numbers from various size and price groups for the purpose of making up complete, well balanced dish gardens. \$8.00 per 100.

FANCIER'S-Choice kinds from our retail price list that will appeal to collectors of better plants than are usually found on the market. Labeled at \$15.00 per 100.

POTTED PLANT ASSORTMENTS

For the first time we offer five popular assortments of well established, nursery grown plants of the highest quality in 24" green, red, white, coral and yellow plastic pots.

Each assortment is composed of 10 varieties, 5 plants per variety. Each plant harmonizes with the pot color and each assortment is balanced, containing tall and globular types.

Price per carton of 49 labeled plants is \$7.84 or 16c per plant. Price per carton of 49 unlabeled plants is \$7.35 or 15c per plant. Prices are F.O.B. Corona, Calif.

WHOLESALE TERMSCash with order. Packed F.O.B. Corona. 50% cash advance with C.O.D. orders. Minimum wholesale order \$7.50. Hundred rate price applies on twenty-five or more of one kind. For prices on smaller lots of a kind, see notation at heading of the general listings.

TRANSIT LOSSES

The goods are yours when delivered to the transportation company. Claims for heating, freezing, delay or poor handling must be taken up with the transporting agency. In order that you may properly make claim upon the transportation company for transit losses, always ask the delivering agent for a bad order inspection.

LABELING

We label with plant names only when requested.

QUANTITY DISCOUNTS

On shipments amounting to-

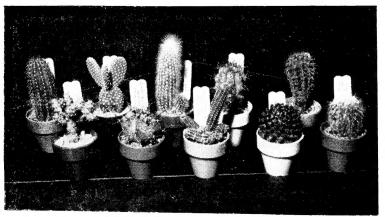

\$50.00 or more 5% \$100.0 or more 10% Quantity discounts apply to cash or C.O.D. orders. Customers who have established account standing, will be billed at the hundred rates and the above discounts will be allowed if remittance is mailed within twenty one days of invoice date.

SATISFACTION GUARANTEED

We guarantee quality and fair value. If not satisfied on these points return the goods at once at our expense for full refund.

Prices listed for 100 of a kind. For ten or more of a kind and less than twenty-five, add 20% service charge. If you desire less than ten of a kind, order one of our assortments and ask for as large a variety as possible. Since these prices are wholesale, \$7.50 is the minimum per order. Approximate sizes of the plants we effer, are given in inches below the price headings. For quantity discounts see "Terms" on the first page.

Hemispherical with long nipples, tipped with weak soft spines, yellow for pink giant pink glower 11/2-2 2-21/2 2-2-2-2-2-2-2-2-2-2-2-2-2-2-2-2-2-2-2		1-/2-2	4-4-/2		
Day bloomer. Flowers in spring and summer. ESCONTRIA CHIOTILLA. Columnar, few light green ribs, light colored spines. Very attractive ESPOSTOA LANATA. "Old Man of Peru." Stout columnar, covered with soft white wool FEROCACTUS MELOCACTIFORMIS. Gobular, light green, yellowish spines Ferocactus PILOSUS (Pringlei) Globular, becoming stout, cylindrical, stout reddish spines, not hooked Ferocatus RECTISPINUS. "Hat Pin Cactus." Globular with long straight or curved spines GYMNOCALYCIUM SAGLIONE. A giant among the "Chin Cactus". Globular strongly tuberculate, red-brown spines HAAGEOCEREUS CHOSICENIS. "Golden Columns." Stout columnar, many low ribs covered with short golden to brown spines. HAMATOCACTUS SETISPINUS. "Strawberry Cactus." Globular, light brown spines, yellow flower. Free blooming during spring and summer. Red fruit LEMAIREOCEREUS MARGINATUS. "Pipe Organ." Columnar, few dark green ribs very short spines Lemaireocereus MARTINEZII. Stout columnar, dark green fluted ribs, short dark spines Lemaireocereus PRUINOSUS SQUARE. "Blue Mitre." Heavy, angular, columnar, bluish, taller growing than the Square variety. Lemaireocereus FRUINOSUS TALL. Heavy, angular, columnar, bluish, taller growing than the Square variety. Lemaireocereus STELLATUS. Stout columnar, gray to purplish body, short spines Lobivia FAMATIMENIS. "Orange Cob Cactus." Cob shaped, short spines, many red flowers Lobivia FAMATIMENIS. "Orange Cob Cactus." Cob shaped, short spines, many red flowers Lobivia FAMATIMENSIS. "Groange Cob Cactus." Cob shaped, short spines, many be orange, yellow or red. LOPHOCEREUS SCHOTTII. "Crested Cereus." Stout columnar, 4-5 ribs, fewer and shorter spines LOBIVIA. BINGHAMIANA. Clustering, globular, covered with very short white spines. Small pink flower MAMMILLARIA ALJIBENSIS. Globular, covered with very short white spines. Small pink flower Mammillaria BOCASANA "Powder Puff." Flattened globular, white hair over short hooked spines, yellow to pink flower Mammillaria BOCASANA "Powder Puff." Flattened	slender, white night flower		2-21/2

-PLEASE NOTE-

This 1957 Illustrated Picture Supplement is provided to enable you to choose those plants best suited for your requirements.

Although this is our twenty-eighth year of quality cactus growing, and we are today California's largest Cactus and Succulent Nursery, still we are unable to keep up with the demand.

Current sales have broken all records. Consequently we ask you to refer to our latest Price List before ordering. Please indicate substitutions where possible.

Price Group Price per 100	\$7.50	\$10.00	\$15.00	\$25.00
Mammillaria CELSIANA. Globular, densely covered with short, creamy yellow spines		11/2-2		
Mammillaria COLLINSII. Globular, dark, often reddish with light colored spines,				
Mammillaria COMPRESSA. Clustering, flattened heads, long spines with light		11/2-2		
bases and purplish tip Mammillaria DURISPINA. Globular, short. black tipped spines, ruby flower		11/2-2	0.01/	
Mammillaria ELONGATA , "Golden Stars," Clustering, columnar, oppressed yellow		11/2-2	2-21/2	21/2-3
spines, yellow flower		21/2-3	3-4	
spines, becoming hairy, rose pink flower in early spring		11/2-2	2-21/2	
Mammillaria HILDMANNIANA . Globular becoming stout columnar, brown medium spines, rosy red flower	-	11/2-2	2-21/2	
Mammillaria JOHNSTONII. Globular, gray to brown spines, medium size flesh colored to pink flower	THE STREET CHARLES AND ADDRESS OF THE STREET			
Mammillaria KEWENSIS. Globular, brown spines, rosy flower		11/2-2	$1\frac{1}{2} - 2$ $2 - 2\frac{1}{2}$	21/2-3
Mammillaria LEWISIANA. Flattened globular, small nipples, gray to brown spines		1-72-2		2-/2-3
Mammillaria MAGNIMAMMA. Hemispherical, large nipples, short curved spines		11/2-2	$\begin{array}{c c} 1^{1}/_{4} \cdot 1^{1}/_{2} \\ \hline 2 \cdot 2^{1}/_{2} \end{array}$	21/. 2
Mammillaria MICROHELIOPSIS. "Little Suns." Stout columnar, short vellow		11/2-2	2-21/2	21/2-3
spines, pink or yellow flowers. Beautiful		11/2-2		
Mammillaria MYSTAX. Globular, variable brown spines Mammillaria NEJAPENIS. A wonderful new plant, globular, covered with fair		11/2-2		
sized nipples bearing white spines of varying length, yellow flower		11/2-2		
Mammillaria PERBELLA. Globular, very short white spines, numerous small bright pink flowers		11/2-2		
Mammillaria POLYTHELE. Globular becoming columnar prominent nipples				
few medium spines, purple red flower		11/2-2		
to brown spines, ruby flower		11/2-2		
Mammillaria SAETIGERA. Globular, very short spines Mammillaria TETRACANTHA (DOLICHOCENTRA). "Ruby Dumpling." Globular,		11/2-2		
straight brown spines, rose pink flower		11/2-2	2-21/2	21/2-3
Mammillari VAUPELLII "Vaupell's Pincushion". Globular, short nipples, many vari-colored, short straight spines		11/2-2	2-21/2	
Mammillaria WILDII. "Fish Hook Pincushion." Globular clustering, harmless short spines, one tiny fish hook to each nipple, very free blooming in summer			2-21/2	
Mammillaria WINTERIAE. Flattened globular, very large, angled nipples, long		11/2-2	2-2-/2	
straight spines MYRTILLOCACTUS SCHENCKII. Stout columnar, yellow green body with about 6		11/2-2		
ribs, short brown spines		11/2-2	2-3	
NOTOCACTUS APRICUS. "Sun Cups." Globular, soft gray-brown spines, large yellow flower in May and June		11/2-2	2-21/2	21/2-3
Notocactus LENINGHAUSII. "Golden Ball." Many ribbed, densely covered with weak, yellow spines		11/4-11/2	,-	
Notocactus MAMMILLARIS, "Lemon Ball." Globular short stout spines many				
yellow flowers in spring and summer Notocactus OTTONIS. "Indian Head." Globular, weak brown spines, yellow		11/2-2	2-21/2	
NYCTOCEREUS SERPENTINUS. "Snake Cactus." Fluted columnar, short brown		11/2-2	2-21/2	
spines, large white night flower in spring and summer	3-5			
OPUNTIA BASILARIS. "Beaver Tail." Purplish pads, no spines, short glochids, large pink flower	2-3			
Opuntia GLOMERATA . "Paper Spines." Egg shaped joints with long white				
papery spines	11/2-2 2-3			
Opuntia MAMMILLATA. "Boxing Glove." Columnar, short spined. Soon forms
